FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2020

Certified Public Accountant

1000 3rd Avenue New Brighton, Pennsylvania 15066 (724) 384-1081 FAX (724) 384-8908

To the Members of Borough Council Borough of Glen Osborne Allegheny County, Pennsylvania

INDEPENDENT AUDITORS' REPORT

Report on Financial Statements

I have audited the Balance Sheet, Statement of Revenues and Expenditures, Debt Statement, and Statement of Capital Expenditures and Employee Compensation included in the accompanying special purpose Commonwealth of Pennsylvania Annual Audit and Financial Report (special purpose financial report) of the Borough of Glen Osborne, Allegheny County, Pennsylvania as of and for the year ended December 31, 2020.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this special purpose financial report in accordance with the accounting practices and procedures prescribed by the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Borough's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinions

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

The Schedules are prepared by the Borough of Glen Osborne on the basis of the financial reporting provisions prescribed or permitted by the DCED in the instructions to the Annual Audit and Financial Report to demonstrate compliance with the DCED's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the DCED. These requirements permit the Schedules to be prepared on the cash basis of accounting without the presentation of the management's discussion and analysis, the government-wide financial statements, budget and actual information and financial statements disclosures.

The effects on the Schedules of the variances between the regulatory basis of accounting described above and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In my opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the Schedules referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the Borough of Glen Osborne as of December 31, 2020, or changes in financial position or cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In my opinion, the Schedules referred to above present fairly, in all material respects, the assets, liabilities and fund equity of the Borough of Glen Osborne as of December 31, 2020, and its revenues, expenditures and other financing sources and uses for the year then ended, in accordance with the financial reporting provisions prescribed or permitted by the DCED described above.

Report on Other Legal and Regulatory Requirements

This report is intended solely for the information and use of the governing body and management of the Borough of Glen Osborne and for filing with the various local and state departments or offices and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely

Mark C. Turnley, CPA
