

**Glen Osborne Borough
Committee Meeting 2/6/24**

T. Huddleston by phone, H. Merriman, J. Orndorff, B. Carrier, B. Monski, J. Cohen, J. Lambert

Public Safety

J Cohen spoke to Jeremy about being prepared for future snow storms with a back-up plan
Chief Mazza has the name of a back-up if Jeremy needs someone to help him

Council agreed to ask Sewickley to install a small solar flashing red light above the stop sign at
Boundary for approximately \$200

J Cohen asked that we review the parking ordinance and his first draft of a new ordinance. We
will discuss at march Committee Meeting

T Huddleston will ask Harlan to make a recommendation for an ordinance for EV charging for
those who have street parking

Emergency Management

B Monski saw a smoking train and called 911

Recent flooding did not impact GO properties

Public Works

Clint estimated \$6000 to inspect stormwater inlest, add them to GIS and make
recommendations for repairs

We will vote on this at February meeting

J. Orndorff will talk to Clint and Jeremy about putting cones or paint at the Osborne Lane inlet
until it is fixed

Mark Brooks of SWA didn't submit the Lantern Lane invoice for \$800 to the Authority, but
Diane talked to him about getting it paid

HRG is waiting for a Thank You letter from Ann Fruehauf for their work

New Business

Diemert and Meanor have agreed to move their property line. The drawings are in front of
Aleppo Planning then they will go before GO Planning

Water bills should see the Glen Osborne debt removed this month

COG

Sharing Emergency Management info and resources
