The Mayor brought up the issue of a wall needing repaired, however it was determined by our Engineer the wall does not belong to the Borough. In addition, the Mayor brought up a concern on Sycamore Road regarding erosion of some curbs. Public Works is going to investigate.

Josh reported he is working on improving the Website for the Borough. More updates to follow.

PUBLIC SAFETY

Jim informed us the parking ordinance regarding Colonial Place is near completion. It was suggested that communication with the residents occur in two steps, an initial communication informing the residents of a change in where street parking would be allowed. Then a second letter informing them when the ordinance would take place.

EMERGENCY MANAGEMENT

Bill provided council with a draft of our Emergency Operations Plan. He asked council to review the plan and provide input at our next committee meeting with a goal to vote on the plan at our June meeting.
